

AT THE HEART OF YOUR BUSINESS...

defibrillators **save lives**

Around 60,000 people suffer a heart attack in the UK each year. A third of this number die before reaching hospital.

Help prevent this happening with a Concept Hygiene defibrillator.

Service plan available to include regular service calls, replacement pads, replacement batteries and free software updates when necessary.

No capital outlay required, cost from £1.00 per day.

- ✓ Can be used by anybody whether trained or not
- ✓ Clear voice commands ensure most effective action is taken
- ✓ Helps fully synchronised CPR
- ✓ Fully compliant - UK & British standards
- ✓ Accurate ECG analysis
- ✓ Pace Maker detection
- ✓ Full training support provided
